Dear Louise, Mike, and Stephanie,

On behalf of The Isibindi Foundation and the Ezemvelo KZN Wildlife K9 Unit, I would like to express a sincere and heartfelt thank you for your contribution of a 3KVA solar system, 2 Homegrow solar systems and 2 Mini solar systems that were received on the 19th of April 2021. We would also like to extend our gratitude for assisting with the installations of the units from the 27th of April to the 29th of April 2021. No goods or services were provided in exchange for your contribution. Your generous act has allowed us to provide much needed support to the K9 Unit by providing them with the resources required to keep their operations effective and reliable, thus achieving the ultimate goal of ensuring the protection of our highly endangered rhino within the park. Your contribution is admirable, and we are committed to being worthy of your continued support.

Yours faithfully,

Luke Martin
Manager
